Google Cloud Computing Foundations: Networking & Security in Google Cloud

Module 8: Keeping an Eye on Things Lab: Cloud Monitoring Qwik Start

The screenshot shows the 'Cloud Monitoring: Qwik Start' lab page. On the left, there's a sidebar with 'Dashboard', 'Catalog', 'Paths', 'Collections', and 'Subscriptions'. The main content area has a title 'Cloud Monitoring: Qwik Start' and a subtitle 'Protect your account and progress. Always use a private browser window and lab credentials to run this lab.' Below this are 'View instructions' and 'End Lab' buttons. A timer shows '00:39:13'. A note says 'Cautions: When you are in the console, do not deviate from the lab instructions. Doing so may cause your account to be blocked. Learn more.' It also shows 'Open Google Cloud console' and 'Project ID: qwiklabs-gcp-03-c2a7dec...' fields. The center features 'GSP089' and 'Google Cloud Self-Paced Labs'. To the right, a yellow 'Checkpoints' section lists tasks like 'Create a Compute Engine instance' (25 / 25), 'Add Apache2 HTTP Server to your instance' (25 / 25), 'Get a success response over External IP of VM instance' (25 / 25), and 'Create an uptime check and alerting policy' (25 / 25). A sidebar on the right lists tasks such as 'Task 2. Add Apache2 HTTP Server to your instance', 'Task 3. Create an uptime check', 'Task 4. Create an alerting policy', 'Task 5. Create a dashboard and chart', 'Task 6. View your logs', and 'Task 7. Check the uptime check results and triggered alerts'. At the bottom are 'Previous' and 'Next' buttons.

Quiz

The screenshot shows the 'Quiz' page. At the top, there's a search bar with 'What do you want to learn today?' and a 'Get started' button. The main content area has a title 'Quiz' and a note 'Your score: 100% Passing score: 80%'. It says 'Congratulations! You passed this assessment.' Below are two questions:

1. Where can you store and version-control your Terraform templates?

- Cloud Source Repositories
- Cloud Monitoring
- Cloud Profiler
- Cloud Trace

Good job! That's the correct answer.

2. In Cloud Logging, what is the default log retention period for data access logs?

- 400 days
- 365 days
- 3650 days

At the bottom are 'Previous' and 'Next' buttons.

The screenshot shows a web browser window for the Google Skills platform at the URL skills.google/parts/36/course_templates/155/badge. The interface includes a header with a search bar, a navigation bar with links like 'Dashboard', 'Catalog', 'Paths', 'Collections', and 'Subscriptions', and a sidebar with a 'Paths' section. The main content area displays a 'Congratulations!' message: 'You've completed Google Cloud Computing Foundations: Networking & Security in Google Cloud!'. To the right is a 'Completion Badge' box featuring the Google Cloud logo, the course title, and a circular icon with a checkmark. Navigation buttons for 'Previous' and 'Next' are visible at the bottom.

Congratulations!

You've completed Google Cloud Computing Foundations: Networking & Security in Google Cloud!
